Dear Sir,

Sub. - Intimation of Breakdown of Plant

We would like to inform you that there is small incident taken place in our unit III demethylformamide (DMF) plant due to which leakages/breakdown has taken place. While rectifying this we are adding some debottlenecking activities to increase capacity which may take two to three weeks' time. During this period, the DMF plant will not be in operational.

Please take the same on record.

Thanking you.
